

Autism Center for Child Development Intake Packet

Facial Covering Consent Form

The Centers for Disease Control recommends the use of cloth face coverings to slow the spread of the COVID19 virus. Teaching your child(ren) to properly wear a facial covering is important to ensure their health and safety especially when social distancing cannot be maintained. Sign below to indicate your consent for Wedgwood staff to teach your child to wear a facial covering.

I consent to Wedgwood Christian Services' Autism Center for Child Development teaching my child(ren) to properly wear a facial covering.
